

**B. Proposed Revisions of the UP Arts Productivity System (APS) Guidelines and Criteria**

Below are the salient points of the proposed revisions:

1. Revision of the artistic categories:
  - 1.1 Separation of Music and Dance into 2 categories
  - 1.2 Deletion of the category Scholarly Works and inclusion of sub-categories of scholarship/scholarly works for all categories
  - 1.3 New artistic categories for evaluation
    - a. Architecture and Landscape Architecture
    - b. Dance
    - c. Film
    - d. Fine Arts
    - e. Literary Works
    - f. Music
    - g. Radio, Television, and Emerging Electronic Media
    - h. Theater
2. Standardization of the rating scale across categories
3. Increase in the monetary award from P12,000, P144,000 and P180,000 to P150,000, P200,000 and P250,000 annually for UP Artist 1, 2, and 3, respectively.
4. Emphasis of the “regular” status of applicants to include faculty members, research faculty, REPS and administrative personnel in continuous service for 5 years at the time of application
5. Deletion of the minimum requirement of an MA degree or its equivalent because there are “icons” in their art genres but have no graduate degrees.
6. Inclusion of new award giving bodies for the evaluation of Artists 2 and 3.

It is further recommended that the revision for the monetary award be made effective prospectively for CY 2014 awardees.

**C. Proposed Revision of Guidelines of the Creative Work and Research Grants (CWRG)**

At the 1298<sup>th</sup> BOR meeting held on 30 June 2014, Faculty Regent Abadingo and Staff Regent Ramirez requested the deferment of the Board’s action on the revised guidelines for the Creative Work and Research Grants pending further study and consultation with their constituents. A copy of the revised proposal is on file at the OSU Records.
