MEMORANDUM FOR :

The Honorable Chairman and Members
of the Board of Regents

SUBJECT: Revision of Pertinent Provisions of the University Code
to Conform with Reorganization Plan Approved by the
Board of Regents

The reorganization of the central administration of the University which was approved by the Board of Regents with minor modifications at the 789th meeting held on November 25, 1969 would require certain provisions of the Revised University Code to be amended.

The pertinent codal provisions affected are Articles 20, 27, 33 and from 55 to 66. These provisions are copied verbatim in the attached compilation and featured side by side with the new provisions intended to replace them, in this way assuring that the University Code conforms with the approved reorganization plan.

The Board of Regents may thus repeal the old codal provisions by approving the corresponding amended versions, both of which are herewith compiled for ready reference pursuant to the request made by the Chairman at the last meeting of the Board.
