8
9 A memorandum from then Secretary of the University,
10 Oscar M. Alfonso, dated 5 September 1973 on 'Revised Rules
11 on Study Privileges of U P Personnel,' states that:

12
13 Personnel who are on vacation leave with pay
14 for the entire duration of the term enrolled in or on
15 study leave for the entire duration of the term shall
16 be entitled to reduced fees for the maximum
17 load of nine (9) units (graduate or undergraduate)
18 during any given term subject to the rules on study
19 load of the academic program or of the college
20 enrolled in. [Section C.2 of Alfonso memo,
21 underscoring supplied.]

22
23 Because of this provision, in some CUs, faculty on study
24 leave who enroll in more than nine (9) units are made to pay for
25 the excess units. It is therefore proposed that the 9-unit cap be
26 removed, provided that the study load is duly approved by the
27 graduate advisor and department chair

28
29 To make this privilege explicit, the following provisions in
30 the 'Rules for U P Faculty Receiving Full or Partial Load
31 Reductions for their Study Loads' (1053rd BOR meeting, 27
32 August 1992), under the section 'Privileges of Faculty Fellows
33 and those on Full Study Leaves,' are proposed for modification
34 as follows (words in CAPITAL LETTERS to be inserted):

39 salary and other benefits for regular faculty in the
